GREETINGS

This will be the 51st Japan Pentecostal Fellowship Conference. 50 years have passed from the beginning of this beautiful dream given by God and we see now that a new phase starts, where I believe God is raising His people to a new and great achievements.

I believe in a new anointing coming upon each of those who believe that as a large house needs a lot of columns, large church needs many leaders. Revival is coming and we need to generate and train current and new leaders for the great harvest ahead.

Come join us in this 51st Japan Pentecostal Fellowship Conference 2016. A new era begins! Don't read about history!

Come make history with us! God bless you!

LAELSO DA SILVA SANTOS
(Senior Pastor of Missão Apoio)
