JPF CONFERENCE 2020  
**POWER OF LOVE**  
 LOVE FAMILY, LOVE CHURCH, LOVE JAPAN

## Greetings

Isn't it true that whole concept of family is shaken in Japan today? The theme of the JPF Conference 2020 is "Power of Love"! We believe that the power of love by the Holy Spirit will become the source of the restoration of the family, the church, and Japan, leading to a great revival! Following last year's conference we will also have a session to learn more about Israel. We are sure that all the participants will receive the love of the Lord and it will change your home, your church, your region and Japan.

JPF Conference 2020 Conference Chairman  
 Mikio Yoshida (Senior Pastor of New Life Church Hara Chapel)

Conference Guest Speaker **Pastor Lawrence Khong**

**Pastor Lawrence Khong / Founder and Apostolic Overseer, Faith Community Baptist Church / Founding Chairman, Gateway / Founding Chairman, TOUCH Community Services.**

An anointed speaker and a cell church pioneer, Lawrence founded Faith Community Baptist Church (FCBC) in 1986. Aligned and committed to the G12 Vision to 'go and make disciples of all nations', Lawrence, Nina, and their son, Senior Pastor Daniel, lead FCBC to extend the Kingdom of God to the multitudes by preaching and teaching the gospel in the power of the Holy Spirit, and training committed followers of Christ.

At a national level, Lawrence is the Chairman of Love Singapore, a nationwide initiative to build an alliance of Singapore churches united in servant leadership to be a blessing to Singapore and the nations of the world.

As one of Asia's most skilled illusionists and foremost entertainers, Lawrence seeks to reclaim the Arts & Entertainment landscape for God through Gateway Entertainment (GE) – a Singapore-based creative entertainment business which he founded in 2000.

Lawrence is also a pioneer in public service and at the vanguard of corporate social responsibility.

Lawrence founded and chairs TOUCH Community Services, a registered not-for-profit charitable organisation that was officially registered in 1992 to serve the less fortunate and needy in Singapore. In 2002, he also pioneered Project SMILE ("Sharing Magic In Love Everywhere"), an initiative by GE to advance magic literacy in Singapore and across Asia through hands-on, enquiry-based magic learning and employee volunteerism.

In recognition of his various contributions to the community, Lawrence was conferred the prestigious Public Service Medal in 1998 at the Singapore National Day Awards Ceremony. In 2007 and 2008, he was a finalist for the Schwab Social Entrepreneur of the Year for his community outreach through Project SMILE. That same year, TOUCH Community Services was also awarded the Outstanding Non-profit Organisation Award, which recognises best practices in volunteer and donor management, including fundraising practices.

He and Nina have four children – Priscilla, Anthony, Michelle and Daniel, and two grandchildren, Isaac and Hannah.

Seminar & Workshop  
 "Israel for Beginners" Guest Speaker **Pastor Peter Tsukahira**

**Co-Founder of Kehilat HaCarmel (Carmel Congregation) / Founder and Director of the Mount Carmel School of Ministry.**

Peter Tsukahira was born in the U.S. and raised in Japan. Peter became a believer in 1973 and attended Christ for the Nations Institute (Dallas, Texas). He completed a Bachelor's degree in economics at Tufts University (Medford, Massachusetts) and enrolled in the American Christian Theological School (Anaheim, California) where he earned a Masters of Divinity degree. Peter moved to Tokyo, Japan in 1982 where he led a growing international fellowship and also worked in the Japanese computer industry. In 1987, he moved to Haifa, Israel, and has lived and taught there for more than 30 years. Aside from his local ministry responsibilities, Peter teaches in various countries. While biblically focused, Peter's teaching is inspirational rather than academic.
